NANSY MASS

## ABOUT THE NORDIC ARTIST & DESIGNER

Nansy Mass (1987) born in Estonia, but grew up in Finland is a highly talented, educated and traveled creative artist with various international exhibitions and ongoing projects in the realms art, music and design.

Her style is intricate, colorful and unique. She mixes and master various techniques and searches ways to color outside of the traditional rules through her unique techniques with mixing mediums of acrylics with coffee pigment or other mixed mediums and melting oil colors like watercolors. In her work she aims for beauty, balance and composition. For her every piece of artwork needs to be well crafted and balanced for an aesthetically pleasing representation.

Nansy has so far had the great opportunity to expose her art at numerous European countries like United Kingdom, Finland, Estonia, Austria and Italy.

Her most recent large scaled works have been designed for large wall spaces such as villas, businesses, etc., where the art pieces are to be viewed from afar and to create a unique vivid, warm and uplifting atmosphere in a large space. She also creates smaller prints, reproes from existing painting and commissioned art works on demand.

LOVE UNDER THE LOMBARDIAN SUN

*Love Under the Lombardian Sun*  
A vertical abstract painting by [Artist Name], featuring a dark teal and blue background with vertical streaks and small yellow and green speckles. The painting is displayed in a gallery setting.

# LOVE UNDER THE LOMBARDIAN SUN

Size: 90 W x 90 H x 4 D cm  
Technique: Acrylic and Coffee Pigment on Canvas  
Year: 2021

## LOVE UNDER THE LOMBARDIAN SUN

---

This painting was inspired by the Italian coffee and sunny weather, but also by the beauty of Lake Como. This artwork is to express positivity, fluidity and happiness. The mediums of coffee pigment is a new form of a technique she used on canvases and mixed it with other mediums like acrylics. Nansy wanted to explore what is possible to create with coffee pigment and how it can be controlled in a manner that she would be able to create a beautiful art piece that is aesthetical and graphical simultaneously for the viewer.

AMAZON

---

Size: 151 W x 100 H x 2 D cm

Technique: Melted Oil on Canvas

Year: 2019

**AMAZON**

The work is called "Amazon" to depict the ongoing forest fires in Amazon. The horizon of burned trees are golden to reference the value it has for us humans. From a distance the work is literally breath taking, just like the situation in Amazon. The mixed greens and gold are vibrant, but the artpiece itself has a calming effect.

SAVANNAH

---

# SAVANNAH

This painting was inspired by the colors of savanna, dryness of land and burned trees. The golden lines with "bush" like formations are depicted as trees. This is an art piece that has been inspired by her previous work called Amazon. This works depict the African desert and savanna and is called Savannah that has a motherly feminin name to it.

SCARABEAU

---

Size: 151 W x 100 H x 2 D cm

Technique: Melted Oil on Canvas

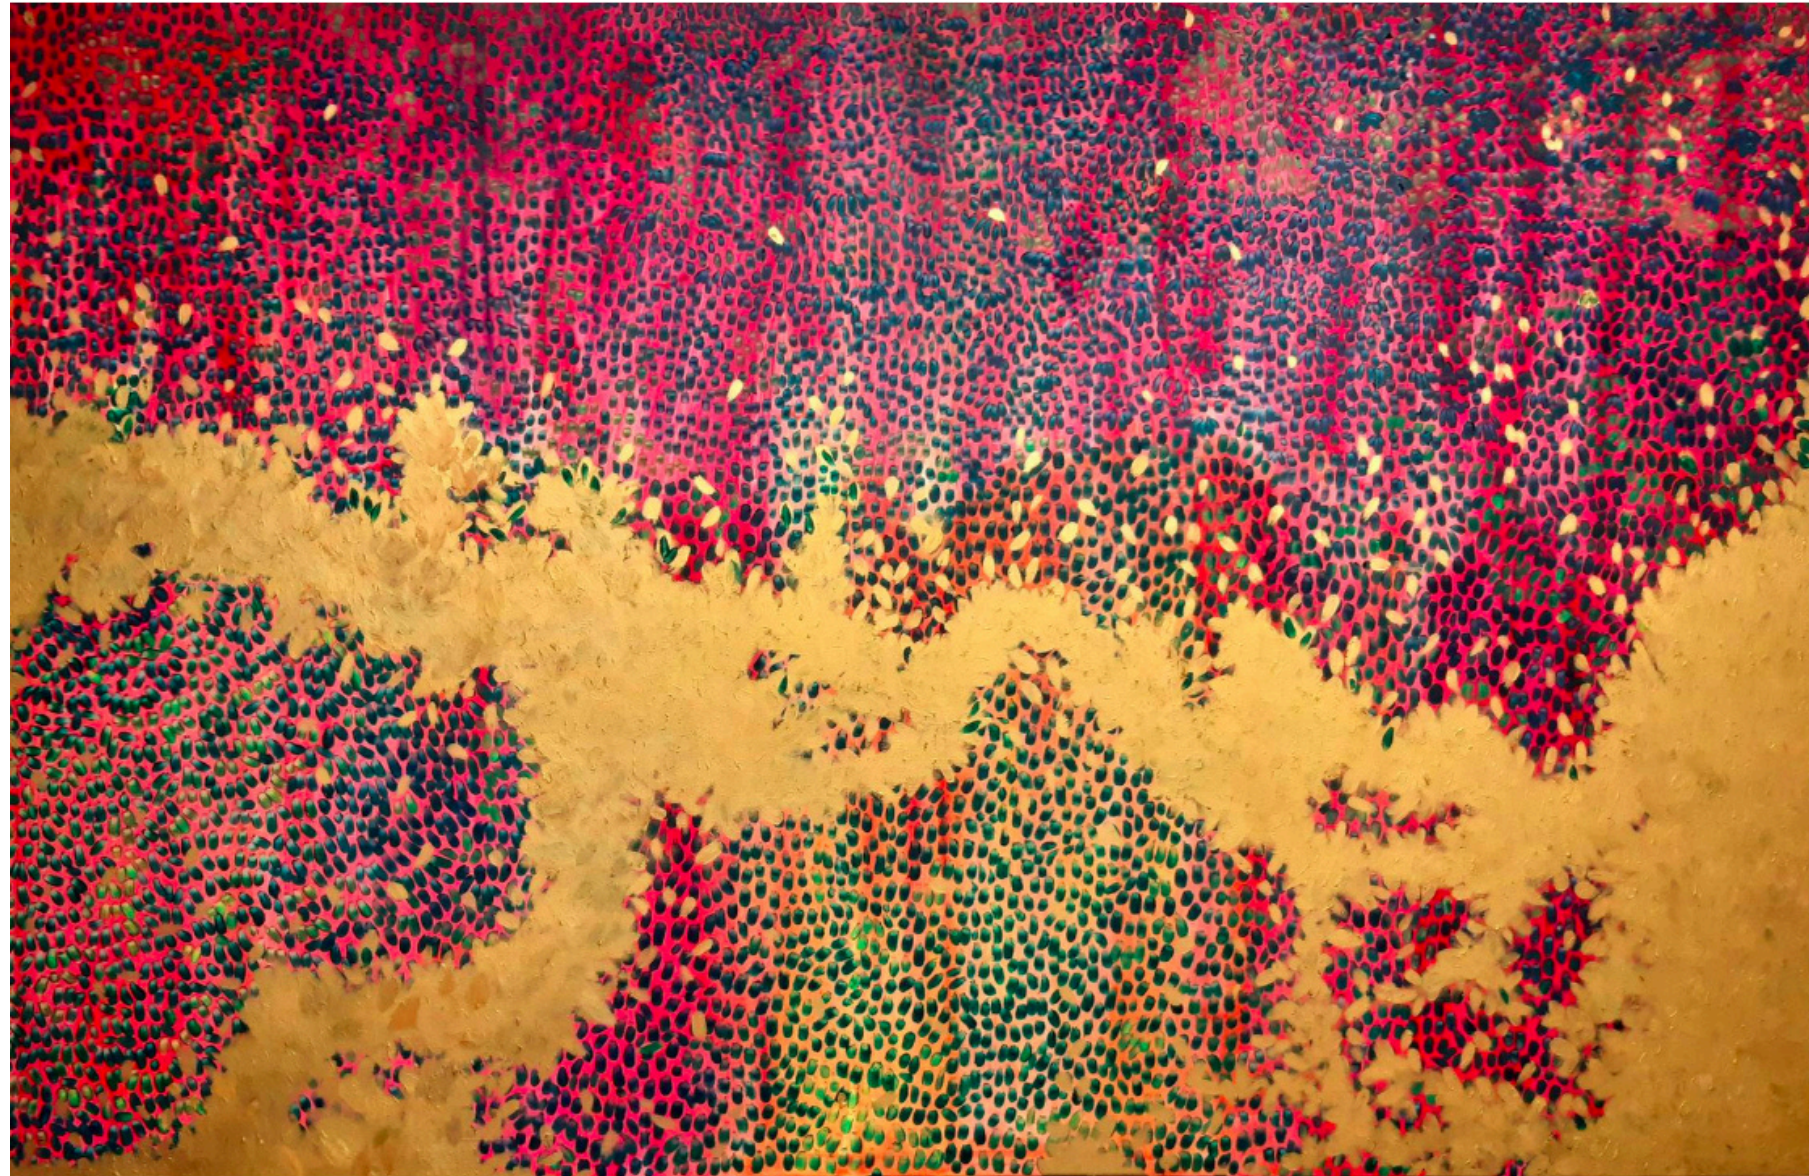

Year: 2019

**SCARABEAU**

Inspired by insects that belong into the family scarabaeidae and that have a place in the Egyptians fascinating cultural history. The green-blue dots look like the backs of the scarab insects with a 3D effect created with a special brush stroke technique. The gold is an abstract depiction of leaves in a bundle that have been scattered upon the insects. The piece itself is an intricate work of art that gives the viewer really something to look at and observe.

SUNSET

# SUNSET

Size: 151 W x 100 H x 2 D cm

Technique: Melted Oil on Canvas

Year: 2019

Within this painting Nansy has used various techniques when painting with oil. The greens and reds are blended together with melted gold, what portray the rays of the sun. The painting itself is warm, but yet vivid with unique blends of contrasting colors.

L'AMOUR

---

Size: 160 W x 151 H x 2 D cm

Technique: Melted Oil on Canvas

Year: 2019

**L'AMOUR**

Love is an emotion that messes with the head/logic. The feeling of falling in love and the sparks that fly when love is blossoming is the inspiration for this painting. Pink melted with white oil colors create an euphoric splash while the golden strokes and specks are there to create the heightened emotion and curiosity that comes with the feeling of falling in amours adventures.

YELLOW MOUNTAINS

---

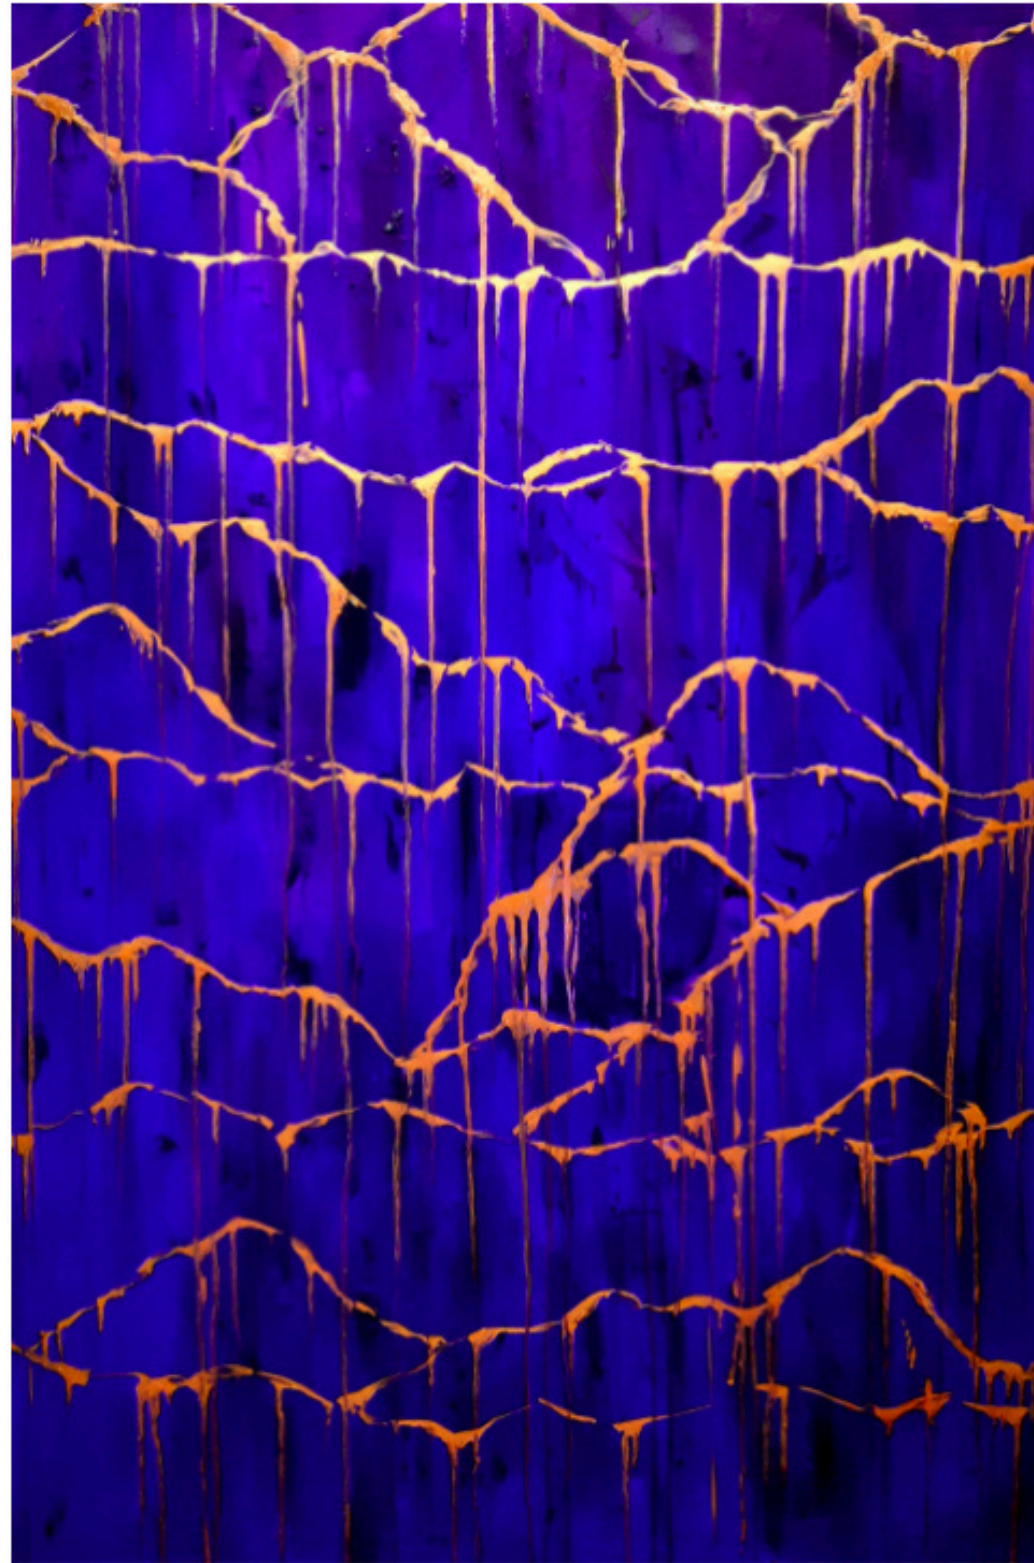

Size: 100 W x 151 H x 2 D cm  
Technique: Melted Oil on Canvas  
Year: 2019

# YELLOW MOUNTAINS

Inspired by the Yellow Mountains in Huangshan, China. The painting was also inspired by a vision of the artist just before falling asleep. Her vision depicted an image where gold was melted on indigo-violet background. The piece of work itself has a 3D effect under certain light and angles, as the colors gold and violet-blue are opposite colors, resulting in simultaneous contrast. This makes the art piece unique, lively and interesting for its simplicity, yet captivating for its unique “out of the wall” effect.

VIDA LA CACTUS

---

# VIDA LA CACTUS

Size: 100 W x 150 H x 2 D cm

Technique: Oil on Canvas

Year: 2021

This painting was inspired by pink succulent plants. Simplicity and vivid colors create an uplifting mood in any space and work in slight contrast with each other, which is harmonious. The whole painting is oil on canvas and belongs into a collection of cactus art works.

AUTUMN RAIN

---

Size: 100 W x 151 H x 2 D cm

Technique: Melted Oil on Canvas

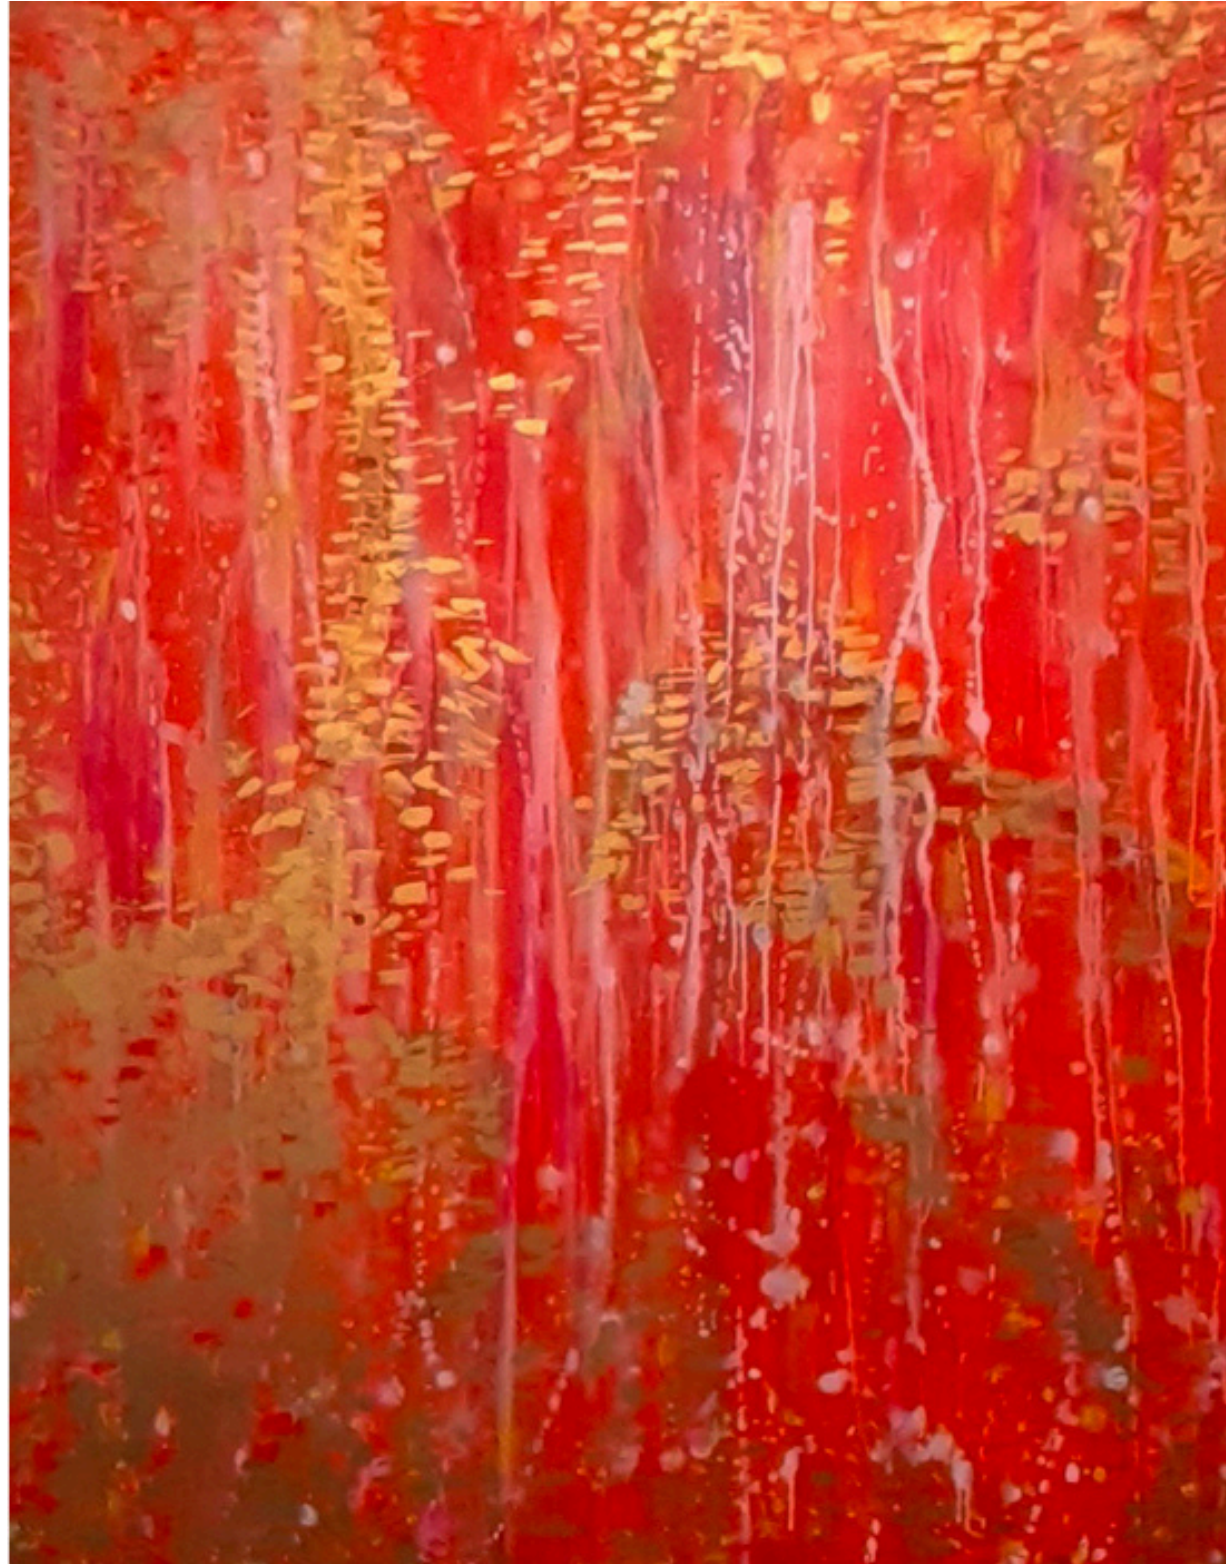

Year: 2019

# AUTUMN RAIN

The work was inspired by the golden autumn when the colors turn vividly warm with rich reds, yellows and sunrays of gold. With the splash of washed rainy days that are so common in the Nordics. The flowy painting brings warmth, playfulness into a dull or monotone space.
